MEMORANDUM FOR: Deputy Director (Administration)

SUBJECT: Request for Reimbursement of Storage Charges to
[REDACTED]

25X1A

1. Reference is made to the memorandum from the Chief, PW to the Deputy Director (Administration) dated 19 September 1952, on the above subject.

2. According to the memorandum, Subject was assigned to Washington on PCS. Her baggage preceded her and was in storage in Washington when she arrived here. The Agency paid the storage charges for the first three months, at the end of which period Subject had apparently received no assurance that she would be assigned abroad again. However, she left her effects in storage. There is no showing in the record that in doing this she acted under specific or implied authority or instructions from the Agency. It appears that no foreign duty orders have ever been issued to her and that the situation is very much up in the air as to her eventual foreign assignment, if any.

3. Many employees of this Agency are uncertain at times as to how long they will be stationed in Washington. This may be due to a variety of causes, including indecision or a change of plans on the part of the individual or the Agency. However, expenses which will be chargeable to the Government should not be incurred on the basis of possible change of station.

4. The circumstances of this case as presented, do not appear to justify a special approval of storage expenses.
